September 16, 1903

BY
GEOFFREY CHARLTON ADAMS
NUMISMATIST
NEW YORK CITY, N. Y.

“I Wish to Remark”

In cataloguing the Wilson collection of coins and tokens, I have adhered strictly to the standard of condition as appended below, for which I am indebted to my esteemed friend Mr. H. E. Morey of Boston. It states plainly the different conditions that a coin may attain from “birth till death” so that “those that run may read” and bid accordingly. So if not satisfied when you receive the coin or coins, return them promptly as others may think different and be glad to take them at your bid.

Condition of Coins.

Proof Struck from polished dies and finished with great care by hand. Features sharp, surfaces smooth and polished in the highest degree. The most perfect condition known.

Uncirculated Struck for circulation, without a spot or blemish though color may not be mint.

Very Fine Slightly circulated, no marks visible to naked eye.

Fine Slightly circulated, only minute marks visible to naked eye.

Very Good Considerably circulated but every feature of coin perfectly distinct.

Good Worn from usual circulation, all features distinct to ordinary vision.

Very Fair Much worn by use, some features indistinct, date plain.

Fair Very much worn, many features indistinct, date however visible.

Poor Nearly all features indistinct but enough remains to classify.

Very Poor R. I. P.

THE CATALOGUER.

“Just a Word with You”

TERMS OF SALE.

Sale will be conducted like any auction sale, the only difference being **that no commission will be charged.** The highest bidder gets the goods; there will be **absolutely no** reserve unless so stated and **no orders will be filled from stock.** In case an **unreasonably high bid is received it will be marked back to within 10 per cent of the next highest bidder.** We don't say we do this, **we do it** and therein lies your protection. So with this understanding bid as high as you want to go, for you will be **thoroughly** protected. You cannot expect to secure choice coins by bidding fifty per cent lower than you would pay if you purchased them from a dealer. If you desire a priced catalogue of this important sale send 30 cents (stamps) with your bids and one will be sent to you after sale. Express or registry fees to be paid by purchaser; coins sold at so much per piece, unless otherwise stated, and our guarantee as regards genuineness holds good forever; each and every lot has had expert examination. Terms strictly cash. Kindly give reference if bidding for the first time.

All bids must be in by Sept. 16 1903.
